

What This Woman Wants

GET CARRIED AWAY

Carrie and Co are back in just a few weeks with the release of the second Sex and the City film.

And although everyone wants to know if Carrie and Big will stay together, fans will also be beyond excited at what the girls will be wearing.

And who can forget Carrie's trademark necklace? You can get one from Icecool.co.uk with their bespoke Your Name In Diamonds pendant.

MOVING MAKE UP

Bellapierre have some new products which are perfect for applying make-up on the go.

The Shimmer 9Stack is one of bellápierre's best selling products; consisting of nine different Shimmer Powders stacked in a tower for practicality and ease of use.

The On the Go Trio range features a selection of bellápierre eye liners, lip glosses and mascara. Each trio in the range

consists of three bellápierre products, all contained in one handy, revolutionary component which fits perfectly in any handbag. The products can be changed, allowing you to create your very own On the Go Trio containing your favourite colours and products.

CREME DE LA CREME

Crème de la Mer are currently offering sample treatments at House of Fraser counters in Edinburgh and Glasgow. A fully trained Crème de la Mer expert can help address each individual guest's skincare and eye concerns, execute sumptuous massage, or find a flawless foundation.
